# WANT TO KNOW ABOUT US?

Evonni Limited is an industry pioneer in the realms of forex trading. Powered by cutting-edge artificial intelligence, we have built an automatic trading system that navigates the intricate world of financial markets with unparalleled precision and efficiency.

# WHAT WE DO

We trade in a variety of markets, employing a variety of strategies and working with a variety of professional experts.

In addition to our AI-based trading, Evonni Limited also adopts a diversification strategy. By trading across a wide array of forex pairs, we mitigate risks and enhance the possibility of capturing profitable opportunities.

# WHAT WE OFFER

The Dailyverve investment platform is ideal for international clients, trustees and corporate entities who want to hold all their investment in one secure place

We trade in a variety of markets, employing a variety of strategies and working with a variety of professional experts.

Our AI-powered automatic trading system eradicates the possibility of human errors. Our AI engine makes indepth financial analysis before carrying out any trade.

# A SAFE AND COST-EFFECTIVE HOME FOR YOUR INVESTMENTS

Our platform has been designed to put you and your advisor in control of your investments. The online technology allows your adviser to manage more processes, helping to keep costs competitive.

# BENEFITS OF DAILYV ERVE

## ZERO RISK

When you invest in Evonni you are investing in a platform with no risk but guaranteed returns.

## RELIABLE AND PROFITABLE

The Evonni platform will be ideal for those looking for a simple but dependable way to invest in Primary sector, Secondary sector and Tertiary sector investment.

## HASSLE-FREE WITHDRAWALS

Timely and hassle-free processing of withdrawals as they are automated and without human intervention.

## USER FRIENDLY SYSTEM

An interface that is not overly complex, but rather well-organized and simple, with quick access to common features or commands.

# ECONOMIC MOBILITY

We support economic mobility for all. It's about connecting, collaborating, and working within the community. Providing greater access to financial education and resources not only enriches people's lives, it helps empower them to improve their economic circumstances.

# DIVERSITY AND INCLUSION

We are united by our differences. The best ideas come from a collective mixture of different perspectives and voices. When we welcome and support one another, we open the door to new ideas that help us build better relationships and experiences for our customers, employees and the communities we serve.

# OUR CORE VALUES

08

We invest in the development of our employees and partners, promote continuous learning, and foster caring and collaborative relationships founded on trust and mutual respect.

We are committed to workplace diversity and to fostering a culture of inclusion and respect.

We aspire to set a high bar for safe workplace culture. The key is to provide our employees with a healthy work environment while also engaging them in their work.

Process of consistently and reliably executing a business strategy than the competition, resulting in increased revenue, lower operational risk, and lower operating costs.

We are transparent and ethical in our conduct; We are committed to operating our business conforming to the highest moral and ethical standards.
